

V LATINOSAN CONFERENCE 2019: PROPOSED PROGRAM, OCTOBER 2018

STRATEGIC THEMES

Strategic Theme 1:	Access to adequate and equitable sanitation and wastewater management (SDG 6.2 and 6.3)
Strategic Theme 2:	Efficient, equitable and affordable services for drinking water (SDG 6.1)
Strategic Theme 3:	Recovery of water bodies (SDG 6.6)

Day 1: Monday April 1st 2019

08:00 - 08:30	REGISTRATION OF PARTICIPANTS			
08:30 - 09:30	V Latinosan 2019 Opening Ceremony: Strategic Partners Representative; Yamileth Astorga, Executive President of the AyA; Carlos Alvarado, President of Costa Rica			
09:30 - 10:30	OPENING CONFERENCE			
10:30 - 11:00	Coffee			
11:00 - 12:30	PRESENTATION OF THE REGIONAL REPORT			
12:30 - 14:00	Lunch			
14:00 - 15:00	1 – POLICY AND INSTITUTIONAL FRAMEWORK Keynote address and high-level panel			
15:00 - 16:15	Marketplace / Country Reports Exhibition	1.1: Policies and programs for the realization of sustainable and universal access to safe and affordable sanitation	1.2: Regulatory frameworks and institutional links to promote resource recovery and reuse	1.3: Efficiency improvements for water and sanitation operators
16:15 - 16:30	Coffee			
16:30 - 17:45	Workshop: Facing droughts in the Americas	1.4: Recovery of water bodies / Water quality as a driver towards the planning of resilient water infrastructure	1.5 Regulation as a mechanism to achieve efficient, equitable and affordable services (water and sanitation)	1.6 Integrated water resources management: from traditional sanitation towards integrated environmental management
17:30 - 19:30	Welcome Cocktail			

Day 2: Tuesday April 2nd 2019

08:30 - 09:30	2 FINANCING MANAGEMENT MODELS Keynote address and high-level panel			
09:30 - 10:45	Workshop: Women's role in the management of urban and peri-urban WASH services	2.1: PPPs for wastewater treatment	2.2: Community management of water and sanitation services as a model to bridge the rural – urban gap	2.3: Models for adequate sludge management including costs of storage, transportation and disposal
10:45 - 11:15	Coffee			
11:15 - 12:30	Workshop: Innovation in adaptation systems to climate change: preparedness, early warning, and community participation	2.4: Business models to encourage reuse and recovery in wastewater treatment plants	2.5: Enhancing connectivity to sanitation services	2.6: Innovative financing to accelerate access to safe and affordable sanitation and to close of the urban – rural gap
12:30 - 14:00	Lunch
